INCREASING THE MEMBERS' ANNUAL SUBSCRIPTION FEES

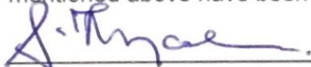

To ensure that the Canterbury Tamil Society (CTS) has enough funds to operate and carry out the goals and objectives of the society, the Committee has decided to raise Members' Annual Subscription Fees as per Clause 7 of the Constitution. The reasons for increment are provided below:

1. The subscription fee has not been raised since the society was first established in 1995. Over the past 24 years, inflation has significantly eroded the New Zealand dollar. Therefore, the committee was compelled to raise the fee for each members' category to maintain the societies' purchasing power to meet the current requirements.
2. CTS must maintain enough fund that includes a carryover from the existing committee to the new committee. The fund must be enough to cover the societies' recurring operating expenses, which include but are not limited to:
 - Hall rental and function expenses
 - Sports activities
 - Academy of Tamil Language and Arts expenses
 - Domain registration and web hosting fees
 - Post box rental etc.

Please see below the proposed Members' Annual Subscription Fees for the Financial Year of 2019/2020 onwards:

Category	Full Membership (Revised)	Associate Membership (Revised)
Family	\$40.00	\$35.00
Individual	\$30.00	\$20.00
Student/Senior Citizen	\$20.00	\$10.00

The Committee has confirmed that the Revised Annual Subscription Fees which were mentioned above have been accepted/~~rejected~~ by the Full Members of the CTS.
